## Who We Are

Founded in 2008, we have worked for over a decade to bring quality scuba instruction to North Carolina's coast. In those years we have certified thousands of divers of all ages, and are always happy to see familiar faces come into our shop. Since 2008 we have grown tremendously in property, customers and experience, but our goal always remains the same - to turn the world into scuba divers! Welcome and we hope you decide to join the Scuba Now family.
